OFFICE OF THE GOVERNOR GENERAL'S SECRETARY, CANADA

OTTAWA, 7th March, 1945.

SIR,—I have the honour to inform you that His Excellency the Governor General will arrive at the Main Entrance of the Houses of Parliament at 3 p.m. on Monday the 19th March, 1945, and when it has been signified that all is in readiness, will proceed to the Senate Chamber to open the Sixth Session of the Nineteenth Parliament of Canada.

I have the honour to be,

Sir,

Your obedient servant,

A. S. REDFERN,

Secretary to the Governor General.

The Honourable

The Speaker of the Senate,
Ottawa.

Ordered, That the same do lie on the Table.

The Senate adjourned during pleasure.

After a while, His Excellency the Governor General having come, and being seated on the Throne,—

The Honourable the Speaker commanded the Gentleman Usher of the Black Rod to proceed to the House of Commons and acquaint that House that,—

It is His Excellency the Governor General's pleasure that they attend him immediately in the Senate Chamber.

The House of Commons being come,

His Excellency the Governor General was pleased to open the Session by a Gracious Speech to both Houses, as follows:—

Honourable Members of the Senate:

Members of the House of Commons:

You have been called into session for the despatch of business which it is in the national interest to conclude before the expiration of the present Parliament.

Since I last addressed you, the war in Europe and in Asia has continued with relentless fury. In Europe, the Allied forces are rapidly advancing to what there is every reason to believe will be decisive victory. Canada is prouder than ever of the splendid achievements of her fighting forces, at sea, on land, and in the air.

The government has accepted the invitation to Canada to send representatives to a Conference of the United Nations to be held on April 25th, at San Francisco, to prepare a charter for a general international organization for the maintenance of international peace and security. My Ministers are of the opinion that the Canadian delegation at the San Francisco Conference should be assured of the widest possible measures of support from Parliament. A joint resolution of both Houses will accordingly be submitted for your approval.

Members of the House of Commons:

The term of the present Parliament will have expired on April 17th. A general election will be held shortly thereafter. You will be asked to make the necessary financial provisions for the effective conduct of the war, and to meet the ordinary expenses of government, for the period between the end of the present fiscal year and the opening of a new Parliament.

Honourable Members of the Senate:

Members of the House of Commons:

May Divine Providence guide your deliberations in this solemn moment in the history of the world.

The Commons withdrew.

His Excellency the Governor General was pleased to retire.

The Senate was resumed.

The Honourable Senator King presented to the Senate a Bill intituled: "An Act relating to Railways."

The said Bill was read the first time.

The Honourable the Speaker informed the Senate that a copy of the Speech of His Excellency the Governor General had been left in his hands.

The same was read by the Honourable the Speaker.

On motion, it was—

Ordered, That the Speech of His Excellency the Governor General be taken into consideration on Wednesday next.

The Honourable the Speaker presented to the Senate the Report of the Librarians of Parliament for the year 1944.

The same was then by the Clerk, as follows:—

LIBRARY OF PARLIAMENT

Report of the Librarians for 1944

To the Honourable the Speaker of the Senate:

The Joint Librarians of Parliament have the honour to submit their report on the Library for the year 1944.

The Supplementary Catalogue of books donated and purchased during 1944 is in course of printing and will be distributed as soon as possible.

The Library has lost five of its staff in the past year; three by death—Mr. H. D. Throop, Mr. H. C. Stock, and Mrs. A. Tremblay; two by retirement—Mr. J. G. Pigeon and R. M. Hamilton. Mr. Throop had been in the Library over thirty years, Mr. Stock twenty-seven years, and Mrs. Tremblay twenty-three years. Mr. Pigeon retired after forty-four years service. All these officials filled important positions and will be hard to replace, particularly at this time when trained librarians are hard to obtain.

The need of increased space for the library, which the Librarians have emphasized in their annual reports for many years, has become so acute that in parts of the Library books are being piled on the floor. When post-war projects are being considered the question of additional space for the Library of Parliament should not be forgotten.

The lighting condition has become worse since our last report. Whole sections of the library have been left in darkness for months, necessitating the use of electric torches by the Library Staff.

The supply of books from English publishers remains small, and in the past year publishers in the United States also have had to curtail the number of their publications. French publishers have advised us that they will begin shortly to export books again to this country.

Respectfully submitted,

FELIX DESROCHERS,

F. A. HARDY,

Joint Librarians.

Library of Parliament,
Ottawa, 19th March, 1945.

Ordered, That the same do lie on the Table.

With leave of the Senate, and—

On motion of the Honourable Senator King, it was—

Ordered, That all the Senators present during this Session be appointed a Committee to consider the Orders and Customs of the Senate and Privileges of Parliament, and that the said Committee have leave to meet in the Senate Chamber when and as often as they please.

The Senate adjourned.

PRAYERS.

The Honourable Senator King moved—

That it is expedient that the Houses of Parliament do approve the following resolution:—

Whereas the government of Canada has been invited by the government of the United States of America, on behalf of itself and of the governments of the United Kingdom of Great Britain and Northern Ireland, the Union of Soviet Socialist Republics and the Republic of China, to send representatives to a conference of the United Nations to be held on April 25, 1945, at San Francisco in the United States of America to prepare a charter for a general international organization for the maintenance of international peace and security, and

Whereas the invitation suggests that the conference consider as affording a basis for such a charter the proposals for the establishment of a general international organization which have been made public by the four governments which participated in the discussions at Dumbarton Oaks, Washington, and

Whereas the government of Canada has accepted the invitation to send representatives to this conference,

Therefore be it resolved—

1. that this house endorses the acceptance by the government of Canada of the invitation to send representatives to the conference;

2. that this house recognizes that the establishment of an effective international organization for the maintenance of international peace and security is of vital importance to Canada, and, indeed, to the future well-being of mankind; and that it is in the interests of Canada that Canada should become a member of such an organization;

3. that this house approves the purposes and principles set forth in the proposals of the four governments, and considers that these proposals constitute a satisfactory general basis for a discussion of the charter of the proposed international organization.

4. that this house agrees that the representatives of Canada at the conference should use their best endeavours to further the preparation of an acceptable charter for an international organization for the maintenance of international peace and security;

5. that the charter establishing the international organization should, before ratification, be submitted to parliament for approval.

The House of Commons being come.

The Honourable the Speaker of the Commons addressed the Honourable the Deputy Governor General, as follows:—

“MAY IT PLEASE YOUR HONOUR:

“The Commons of Canada have voted supplies required to enable the Government to defray certain expenses of the Public Service.

“In the name of the Commons, I present to Your Honour the following Bills:—

An Act for granting to His Majesty aid for National Defence and Security.

An Act for granting to His Majesty certain sums of money for the public service of the financial year ending the 31st March, 1946.

“To which Bills I humbly request Your Honour’s assent.”

After the Clerk had read the titles of these Bills.

To these Bills the Royal Assent was pronounced by the Clerk of the Senate in the following words:—

“In His Majesty’s name, the Honourable the Deputy Governor General thanks His Loyal Subjects, accepts their benevolence, and assents to these Bills.”

The Honourable the Deputy Governor General was then pleased to close the Sixth Session of the Nineteenth Parliament of the Dominion of Canada with the following Speech:—

Honourable Members of the Senate:

Members of the House of Commons:

You will be deeply gratified that the close of the last session of this war Parliament comes at a time when decisive battles against Germany have been fought and won, at sea, in the air, and on land; and when spectacular Allied successes against Japan presage the defeat of our enemies in Asia, as well as in Europe.

All Canada has watched with ever increasing pride the contribution Canadian forces have made toward ultimate victory.

I am particularly pleased that my leave-taking of honourable members of the present Parliament comes at a moment when both Houses have endorsed the acceptance by the government of the invitation to Canada to send representatives to the United Nations conference at San Francisco which opens on the 25th of this month.

It is indeed gratifying that the Canadian delegation has been assured of the strong support of both Houses of Parliament in a determined effort to further the creation of an international organization to maintain peace and security in the post-war world. Next to the winning of the war, the winning of the peace is the supreme end to be achieved.

As the promise of peace dawns, a shadow has been cast athwart the threshold of the San Francisco Conference by the passing of Franklin Delano Roosevelt. In the general acceptance of a Charter for an international security organization, the late President foresaw the realization of a great hope: an enduring peace through co-operative action on the part of all nations. His life and work helped to impart that vision to all. The deliberations of the Conference will now be inspired by his indomitable spirit.

In the death of Franklin Roosevelt, Canada mourns the loss of a true friend and a good neighbour; the oppressed peoples of the earth, a valiant champion; and mankind, a mighty leader of the forces of freedom.

Members of the House of Commons:

My Ministers have consistently taken the position that the people should be secured in their rights under the Constitution to elect representatives to the House of Commons at least every five years, and that, subject to this limitation, any question as to the time of a general election should be viewed in the light of what Canada owes to her fighting men. My Ministers have also felt that, once decisive battles had been fought, a general election should be held as soon as possible. They are deeply gratified that it is now possible to hold a general election at a time more favourable than any hitherto, to a careful consideration by members of the armed forces, as well as by citizens generally, of the problems which relate to Canada's future. The most ample provision has been made for the exercise of the franchise by members of the armed forces in all parts of the world.

The term of the present Parliament will expire at midnight to-night. On the advice of the Prime Minister, I shall approve a recommendation to have Parliament dissolved at the conclusion of this afternoon's proceedings. I shall also approve the issue, immediately thereafter, of a Proclamation for the holding of a general election on June the 11th.

I thank you for having made the necessary financial provision for the effective conduct of the war, and for meeting the ordinary expenses of government required to bridge over the period between the beginning of the present fiscal year and the opening of a new Parliament following the general election.

Honourable Members of the Senate:

Members of the House of Commons:

The people of Canada as a nation welcome to-day the opportunity to express profound gratitude to Almighty God for the deliverance from evil forces which in His Providence we now see is being vouchsafed to peoples of our own and other countries which our enemies have sought to conquer and enslave. As this parliament ends, we join in humble and reverent thanksgiving to God for His Mercy thus revealed to our own and other freedom-loving lands.

The Honourable the Speaker of the Senate then said:—

Honourable Members of the Senate:

Members of the House of Commons:

It is the will and pleasure of the Honourable the Deputy Governor General that this Parliament be prorogued until a later hour this day, to be here holden; and this Parliament is prorogued accordingly.
